Marketing the Commercial Research Quarter

Cambridge University Health Partners has entered into a formal agreement with Cambridge Medipark Ltd to support the marketing of the commercial research quarter of the Cambridge Biomedical Campus.

CUHP will co-ordinate the involvement of the scientific and research communities on the Campus in discussions with potential occupiers of the research quarter.

The focus of these discussions will be on exploring the scope for potential collaborations and thus further strengthen the role of the Campus in the innovation economy of Cambridge.

More details about the Cambridge Biomedical campus can be found at:
